

Alniche Lifesciences Unveils its New Office in Delhi

May 2022: Alniche, one of the leading pharma companies unveiled its new office in Delhi. The new office space doubles the office footprint and supports the company's growth strategy.

Mr. Girish Arora, Founder & MD - Alniche Lifesciences shares *"This initiative aligns with Alniche's business growth strategy and provides scope to accommodate an additional workforce to manage new projects in the future"*.

Alniche has seen rapid growth since its inception. *"We are growing fast and we realize the importance of a bigger space. Our new office will serve as a fantastic place for the team to work, as well as a perfect environment to welcome customers and partners"*, **says Ritu Hasija, Director Corporate.**

The new workplace has been meticulously designed in the modern state of the art and is equipped with the latest amenities. "With the new workplace, we can secure a high-efficiency working environment for Alniche employees in Delhi" **shares Sumit Arora, Director Sales & Logistics.**

About Alniche: Alniche Lifesciences has emerged as one of the key players in Nephrology and Critical Care medicines, headquartered in New Delhi, and has a pan-India distribution and operation. The company is moving ahead with its vision to launch novel products across various therapies and become the preferred partner of Global Lifesciences organizations. Since its inception, the company has launched a series of new divisions' year on year which includes Renal care, Critical Care, Gastroenterology, Skinceuticals, Neurology and recently launched Cardio-diabetic division. Fortifying its stronghold in all these segments, Alniche Lifesciences has already forayed into pharma manufacturing under the name of EffiKasia Lifesciences.
